DEDICATION

The Tuscarora is proudly dedicated to a person for whom everyone has the greatest admiration and respect. As a teacher and friend of the students at Meadow High, he has done much to instill in them those qualities which will best suit them for their roles as mature useful adults.

His understanding, patience, and wisdom have suited him well for his work. As an agriculture teacher, his enthusiasm and knowledge have helped students to gain experience and insight into practical area of life. His abilities are also exhibited in his capable leadership in improving our campus.

We know him as a person whose principles and integrity have served both him and each of us as a guide in our education and daily life. For all of these things, we proudly and gratefully dedicate the 1966 TUSCARORA to our friend and teacher, MR. ROBERT DUNIGAN.

Foreword

With unrelenting crescendo, the symphony of a life with melodic progression hastens to its finale. A friendship that is ours to share moves everlasting; onward in these memories.

Education
should be as gradual
as the meonrise, perceptible
not in progress but in result.

The best advice--Experience

The best play-
work,
ugh!!!!!!

Well, if Shakespeare didn't
write them, who did??

So he said, "This little pop quiz
will count 50% of your final
grade!!!"

The greatest invention of
Mr. Dunigan-------Work!!!!

The greatest thing, bar none,
in all the world.

The greatest troublemaker---
---one who talks too much.

"We may be able to graduate
if we pass English!"

"Well, you finally did it right
for once!"

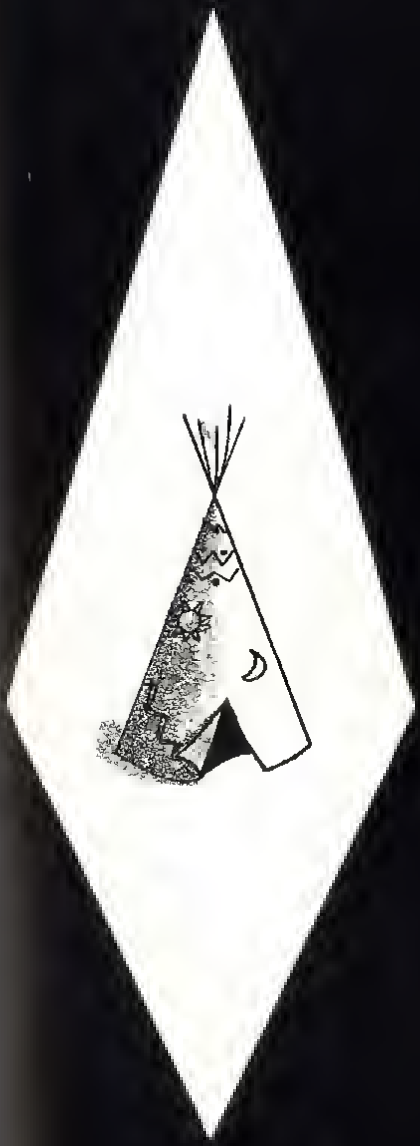
On May 7, the Juniors entertained the Seniors of '65 with our Junior-Senior Prom. The chosen theme, "Stairway to the Stars," enlighted the Meadow High gym for an unforgettable evening. The 'Kays' provided perfect music for the perfect mood. The Juniors and Seniors enjoyed the floor show given by the waiters and waitresses. The Juniors put forth a lot of work to make this night a success.



To grow and excel in
all facets of life is
good--The best is yet to be.

Elementary Life

IN MEMORY

Allen Gayle Wheeler
1947-1965

Glenn Wood
1948-1960

It is indeed appropriate and necessary that we, the seniors and faculty of Meadow School take note of the passing of two of our classmates. Glenn Wood died April 24, 1960, at the age of twelve. Allen Gayle Wheeler died October 16, 1965, at the age of eighteen. In school, we loved and respected them, in passing we pay tribute and honor. These two will be long remembered in our hearts.
